Special Olympics
**Unified Champion
Schools**

The Special Olympics Unified Champion Schools (UCS) program is aimed at promoting social inclusion through intentionally planned and implemented activities affecting school-wide change. With sports as the foundation, the three-component model:

Whole School Engagement ● Inclusive Youth Leadership ● Unified Sports

offers a unique combination of effective activities that equip young people with tools and training to create school climates of acceptance. These are environments where students with and without disabilities feel welcome and are routinely included in all activities, opportunities and functions of traditional school experiences.

By completing this form, you are expressing interest in taking the steps towards building a school of inclusion including:

- a need for additional program information and/or financial grant support offered by the Federal Department of Special Education administered by Special Olympics Kentucky.
- agreeing to meet with Special Olympics Kentucky UCS Staff which will provide a full scope of the UCS Program including grant terms and conditions.
