General Statement

As staff of Special Olympics Kentucky, our number one priority is the safety of our athletes, volunteers and spectators. It is to be understood that all cancellations will be decided as soon as possible, and to assume the event is still on if you have not heard anything from a staff member via email and/or by phone. You may also check for updates on our website and all our social media accounts; Facebook, Twitter and Instagram. In advance, we greatly appreciate your cooperation with this, and ask that you abide by the policies above for both competition and practice/training.
